

## **#20 GLIME FARM**

This barn was originally build by Louie and Dora Paciopa in approximately 1920. Their son Ed took over the farm; and when Ed retired, the farm was sold to the Desterheft family who owned it until 2004 when it was purchased by Daniel Glime.

Sadly, the farm had fallen into disrepair by that time, but it has been lovingly restored to a beautiful barn/farm now and Dan is very proud. Dan currently raises his beef cattle there and occasionally some hogs. When Dan and Janet's first daughter was getting married, they held the bridal shower at the farm in May 2012.
