

CASPER FARM

Mike & Julie moved to this property from Peshtigo in 2002 to enjoy country living.

They have one son Jason who resides in Porterfield.

Mike & Julie both enjoy fishing, gardening, lawn work, and just being outdoors.

Per Julie..."Our quilt theme "Natural Balance" which is pretty self-explanatory. It's what needs to be to make the earth what it is".

Brown & green for the earth, yellow & orange for the sun, blue for the sky, & white for the rain and snow.
