

DR. DRAKE'S OPTOMETRY OFFICE - GILLETT

This is the first quilt block to be placed onto a business and it's located at Dr. Drake's optometry office at 120 E Main Street in Gillett.

Owners Steve and Irene chose the pattern for their business because it looks like an "optic-cal illusion". They chose the patriotic colors to honor their son who is in the military.

Irene is a quilter and is the current mayor of Gillett.

This barn quilt block was installed in April 2014.
